

End Term (Even) Semester Regular/Back Examination May 2026
(i) Tax Invoice (ii) Debit note

Q5. AD (P) Ltd. is engaged in providing taxable services relating to transportation of goods since 2017. It has following details in respect of that activity:

Date of Issuance of Invoice	Date on which payment is received	Amount (Rs.)
19 September 2025	4 October 2025	50,000
22 October 2025	10 October 2025	2,75,000
4 October 2025	28 September 2025	1,30,000

The date of change in effective rate of tax in this case is 1 October 2025 from 12% to 5%. These services were rendered in the month of August 2025. Find the time of supply of service, effective rate of tax and due date of payment of tax in each case.

CO5, (2X10=20 Marks)

a. Mr. R, a supplier of goods, pays GST under regular scheme. Mr. R is an inter-state supplier and hence is not eligible to any threshold exemptions. He has made the following taxable supplies:

Outward Taxable Supplies

- Intra State 36,00,000
- Inter State 13,50,000

He has also furnished the following details about his purchases:

Inward Taxable Supplies

- Intra State 13,50,000
- Inter State 2,25,000

He has opening balances of ITC as under:

- CGST INR 1,35,000
- SGST INR 1,35,000
- IGST INR 3,15,000

If the supplies are exclusive of taxes (18% GST), compute his tax liability.

b. Elaborate the provisions related to furnishing of returns under GST.

c. Write short notes on:

(i) Interest on delayed payments

(ii) Collection of tax at source.

End Term (Even) Semester Regular/Back Examination May 2026

Roll no. 2324018

Name of the Program and semester: B. Com (Hons.) & VI

Name of the Course: GST Laws

Course Code: BCH 601

Time: 3 hours

Maximum Marks: 100

Note:

- All the questions are compulsory.
- Answer any two sub questions from a, b and c in each main question.
- Total marks for each question is 20 (twenty).
- Each sub-question carries 10 marks.

Q1.

CO1..... (2X10=20 Marks)

a. Keeping in view the History of Indirect Taxation in India, explain the need for GST.

b. Describe the advantages of GST for different stakeholders

c. Explain the following terms in context of GST ACT:

- Business
- Reverse Charge Mechanism

Q2.

CO2..... (2X10=20 Marks)

a. Explain the concept of Dual GST Model in India alongwith the structure of GST.

b. "The prime purpose of Place of Supply is to further the cause of determining whether a supply is Intra-State supply or Inter-State supply." Discuss this statement and differentiate between Intra-state Supply and Inter-state Supply.

c. i) Mr. A of Mumbai being an event organizer, hosted an exhibition at Delhi to exhibit the products of exhibitor namely, Banarasi Silks, Varanasi, a registered person. Find the place of supply and applicable GST.

ii) An assessee was under impression that his product is exempt from GST and hence sold the goods @ Rs.500 per piece without charging GST. Later, it was found that actually, the product was chargeable with IGST 18%. Department claimed that since goods were removed without GST, transaction value should be Rs.500 and GST is payable accordingly. Assessee contended that price of Rs. 500 should be taken as inclusive of GST and actual GST payable should be calculated by back calculations. Whose contention is correct? Further determine the correct GST payable per piece.

Q3.
