Name of the Paper: Fact Checking and Verification

Paper Code: BJMC 505

Time: 3 hour

Maximum Marks: 100

Note:

- (i) All the questions are compulsory.
- (ii) Answer any two sub questions from a, b and c in each main question.
- (iii) Total marks for each question is 20 (twenty).
- (iv) Each sub-question carries 10 marks.

Q1.

(CO1) (2X10=20 Marks)

- a. How do filter bubbles and echo chambers reinforce misinformation in Indian digital spaces, and what strategies could be adopted to break these cycles?
- b. Evaluate the role of social media giants like Facebook and Meta in amplifying Information disorder across the globe.
- c. Discuss the role of any three IFCN recognized fact checking organization in the country.

Q2.

CO 2 (2X10=20 Marks)

- a. Do you think meme culture also contributes in spreading misinformation? Give suitable reasons and examples for your answer.
- b. Evaluate the ethical implications of manipulated or imposter content during national crises, pandemic or elections. How should journalists respond to such misinformation?
- c. List out and explain different types of Misinformation and Disinformation. Give suitable examples.

Q3.

(CO 2 & 3)(2X10=20 Marks)

- a. Imagine, you have received this piece of information on your whatsapp family group. Read the message and answer the questions that follow

📢 Breaking News!

A new rule by the Government of India says that from next month, all mobile phone users will have to re-register their SIM cards with Aadhaar again, or their phones will be *disconnected permanently!* 📢

The message has been **confirmed by the Ministry of Home Affairs**, and officials have said this is to “stop fake accounts and terrorist activities.”

Please forward this to all your family and friends before October 15 to avoid disconnection! 🔄

#GovernmentUpdate #AadhaarSIM #BreakingNews IN

- (i) Is this *misinformation, disinformation, or malinformation*? Why?
- (ii) What specific words, tone, or format make this message suspicious?
- (iii) What might be the motive behind circulating this message (fear, confusion, engagement)?

End Term (Odd) Semester Examination November 2025

- (iv) How would you verify whether this is true?
- (v) Which tools or sources would you use ?

- b. Apply the visual verification process to a hypothetical situation: A viral image claims to show a protest in Delhi. Describe step-by-step how you would verify its authenticity using available tools.
- c. Examine the role of tools like InVID and FotoForensics in restoring public trust in visual journalism.

Q4.

(CO 4)(2X10=20 Marks)

- a. Why is verifying the 'where' of an event as important as verifying the 'what' and 'who'? Can you think of a case where location misreporting altered public perception? Discuss.
- b. Using tools like Google Earth Pro and Street View, how can journalists verify the exact location of a viral video? Illustrate your process with a hypothetical or real example.
- c. Write short note on:

- (i) EXIF data
- (ii) Street View
- (iii) Keyframes

Q5.

(CO 5)(1X20=20 Marks)

- a. What basic observations you should make, when trying to identify the authenticity of a photograph.
- b. "Misinformation thrives not only because of technology but because of human behavior."
- Discuss this statement with reference to how biases, social media algorithms, and the lack of media literacy contribute to the spread of false information.
