Course Code: SET 201/PSEC-201/CSEC-201/MSEC-201/JMLS-201

Time: 3 hours

Maximum Marks: 100

Note:

- (i) All the questions are compulsory.
- (ii) Answer any two sub questions from a, b and c in each main question.
- (iii) Total marks for each question is 20 (twenty).
- (iv) Each sub-question carries 10 marks.

Q1. (2X10=20 Marks)

- a. Illustrate the essential life skills needed to navigate today's complex world effectively.
- b. What constitutes lateral thinking? How does it differ from conventional or vertical thinking? Illustrate with real-life or business-related examples.
- c. Describe the components of the leadership framework. How does this framework help in understanding the role of a leader in an organization?

Q2. (2X10=20 Marks)

- a. In the context of the Johari Window model, how can an individual's "blind spot" impact their professional and personal relationships? Discuss the methods that can be employed to reduce this "blind spot" and enhance self-awareness.
- b. How might different problem-solving approaches impact decision-making outcomes in teams and organizations?
- c. What are the essential traits and styles of successful leaders? Illustrate your answer with examples from real-life or historical leaders.

Q3. (2X10=20 Marks)

- a. Imagine you are a team leader in a tech company, Identify the types of creativity you would encourage among your team members to develop a new product. Justify your choices with examples.
- b. Elaborate on the significance of collaboration in strengthening an organization's problem-solving potential. In what ways can leaders cultivate and sustain a culture of effective collaboration?
- c. How do life skills facilitate personal development and enhance professional effectiveness in the context of a rapidly evolving global environment?

Q4. (2X10=20 Marks)

- a. Apply SWOC analysis to evaluate your own self-awareness. Identify your strengths and weaknesses in terms of self-awareness, explore the external opportunities for personal growth, and recognize the challenges that might hinder your progress towards greater self-understanding.
- b. To what extent it is acknowledged that life skills contribute significantly to academic achievement and overall personal development?
- c. Elucidate the four quadrants of the Johari Window model and the information they represent.

Q5. (2X10=20 Marks)

- a. Elaborate "the most powerful, unexpected and often well-received type of creativity, involving unplanned and instinctive generation of ideas or solutions, driven by emotions" with real life example.
- b. Compare transactional and transformational leadership. Which one is more effective in modern organizations, and why?

End Term (Even) Semester Examination May-June 2025

c. Describe common sources of conflict in teams. How can managers effectively manage and resolve team conflicts to enhance performance?
